

Busing

Camp Tournesol strives to make this service as convenient as possible for the campers. Therefore it is possible to use a different stop morning and afternoon or to use the bus service only for one way. However these procedures must be registered with camp Tournesol **AHEAD OF TIME**. Any changes in the pick up or drop off procedure for a given day **MUST** also be registered ahead of time. In most cases and as much as possible, a Tournesol counselor is on the bus with the campers.

Your child will receive a color-coded bus pass the first day of camp. Please ensure that this pass is attached to your child's backpack every day.

MORNING: the buses will depart at the listed times, they will not wait for children. If the bus arrives earlier, they will wait until the listed time as per the bus driver's watch.

AFTERNOON: On the return, a Camp Tournesol counselor will release children. Please ensure that you arrive earlier than the listed time to ensure that you do not delay the buses. If a parent is not there at the bus stop specified, the child will stay on the bus until the next stop. Please make your way there. If you are late picking up your child, you will no longer be able to use the bus service.

Exact time and locations are subject to change to reorganize routes when bus stops are unused or under-used. Bus stops will be confirmed in April. If a bus stop is canceled and another suitable one is not available, Camp Tournesol will issue a full refund.
