### "Boute-en-Train"

Here is a brief overview of a sample week at camp

### Monday, Tuesday and Wednesday: Camp Day

The campers will participate in different modules of roughly 30 minutes each day. Subway lunch is on Tuesday for those who ordered it. They have 2 recesses of 20 minutes and a lunch break of about 1 hour. Each day ends with a book club where the campers can bring out their soft toy for "snuggle up" and story time. Here is a quick overview of the other modules.

- Language module: New vocabulary is introduced each day on the carpet and will be reinforced throughout the day. They will also do some fun activities in their workbook.
- Bricolage: Messy crafts each day... don't wear good clothes. We will decorate your camp T-shirts on Tuesday (fabric paint does not come out!!). Other crafts include puzzle frame with your friend's handprint, decorate your mask, make your name tag.
- Board game: battle your friends in a Uno game, Candy Lane etc...
- Sports: lots of fun sports every day... wear comfortable shoes,
- Show and tell where each camper takes a turn,
- Song and Dance where they learn new French songs,
