2022 Camp Tournesol Safety and Health Protocols

In accordance with the guidelines put forth by the Ministry of Public Health, please take a moment to read over our protocols and guidelines for summer 2022.

Drop-Off & Pick-Up

- To reduce the risk of a spread inside the facility, parents will not be allowed to enter the host facility at any time.
- The site leader will be at the door to greet the child, and each family will have to respond to this [Covid screening questionnaire](#) before releasing their child to us.
- If the child's family discloses any new symptoms or close contact with the virus, that child will not be allowed entry into the campus.

Outbreak & Sickness Management

- If any child is showing persistent signs of sickness/covid, fever, persistent coughing etc. they will be removed from the group and will be asked to be picked up by their parents.
- If we become aware that a child or staff member tests positive for Covid-19, They will not be allowed on campus until they are able to fill out [this form](#) and bring it to the site supervisor.

Masks and PPE

- Non-medical masks or face covering are no longer required by Toronto Public Health. However, if you wish to have your child wear a mask while at camp, they may still do so.

Cleaning & Sanitation

- The washroom will be cleaned daily
- All surfaces will be sanitized daily at the minimum
- There will be a sanitization station at every entrance, as well as sinks in which to wash your hands.
- Most locations will be closed to the public during the hours of camp operation
