Camp Tournesol Tutors

Meet Camp Tournesol's tutors!

Zikai

Hi. My name is Zikai. I went to Bayview Secondary for the IB program and I am now in my third year at Glendon studying French Studies. I grew up in Montréal and moved to Toronto in grade six. I have a lot of experience tutoring since I do private lessons on my own as well. I worked for Camp Tournesol for two summers at the Richmond Hill campus, and I also volunteered at a French immersion primary school as a teaching assistant. I can't wait to meet you!

Martine

Hello :) I am a francophone and bilingual student from the University of Montréal who holds a Bachelor's degree in French literature and linguistics. I worked for Camp Tournesol at the Mississauga South and Oakville campuses during the summer of 2016. For the past two years, I have been a French tutor for students of all ages, ranging from kindergarten to the university level. I help students with their homework, test preparation, and any other academic needs, all while progressing at their individual speed and ensuring that they're also having fun :) I look forward to meeting you!

Danyka

Hi there! My name is Danyka Doiron and I am currently a bilingual student at Glendon (York University). I've been going to full French schools since kindergarten, therefore French is my mother tongue! In 2014 I graduated from Monsigneur-de-Charbonnel et I am currently in my third year of University studying French and Psychology. I've been working for Camp Tournesol since the summer of 2015 (day camp at the North York campus and overnight trips) but I have been working with kids since 2010! I look forward to working with you and your child :)
